Chapter I Instructions to Bidders

Pre-attached Table of Instructions to Bidders

Item No.	Title	Content
1.1.2	Employer	<p>Name: PT Dairi Prima Mineral</p> <p>Add.: Sidikalang Office: Jl. Runding No. 1 A, Gerbang III-Sidiangkat, Sidikalang 22216, Dairi Regency, North Sumatra.</p> <p>Contact person: Jin Xuequan</p> <p>Tel.: +62 812 9161 2153</p> <p>Email: jinxuequan@nfc-china.com</p> <p>Contact person 2: He Longfei</p> <p>Tel: +62 813 8267 6683</p> <p>Email: 357429077@qq.com</p>
1.1.3	Tendering Agency	No
1.1.4	Project name	Dairi lead-zinc mine construction Project explosive materials supply
1.1.5	Construction site	Project site in Parongil, Dairi Regency, North Sumatra
1.2.1	Source of project funds	Own funds
1.2.2	Ratio of contributions	100%
1.2.3	Implementation of funds	Implemented
1.3.1	Scope of tendering	Details refer to Chapter II Technical requirements for Dairi lead-zinc mine explosive materials supply
1.3.2	Explosive materials supply duration	Planned date of commencement: <u>September 15th, 2019</u>

		Planned date of completion: <u>December 31th, 2019</u>
1.3.3	Quality requirements	Details refer to Chapter II Technical requirements for Dairi lead-zinc mine explosive materials supply
1.4.1	Bidder's qualification, capability and reputation	Qualification requirement: The bidders are required to have obtained the related certificate&license of supplying explosive materials to a mining company in Indonesia; Financial requirements: Have the financial audit reports of recent 3 years issued by a qualified third party; HSE requirements: Proof of work safety in recent 3 years;
1.4.2	Consortium bidding accepted or not	Not Accepted
1.9.1	Site survey	Organize site survey according to bidder's requirement
1.10.1	Preparatory meeting for bidding	Not held
1.11	Subcontracting	Not allowed
1.12	Deviation	Not allowed
2.2.1	Deadline of clarification to tendering documents required by the bidder	August <u>6th</u> , 2019
2.2.2	Deadline of bidding	14:00 on August <u>9th</u> , 2019
3.1.1	Other materials constituting the bidding documents	Drawings and data, etc.
3.3.1	Validity period of bidding	120 days (Calculating the validity period of bidding from the deadline of bidding)
3.4.1	Bid security	No need
3.5.2	Required years of recent financial	<u>3</u> years

	situation	
3.5.3	Required years of recent similar contracts completed	<u>5</u> years, A soft copy of the contract is required in the bidding documents
3.5.5	Required years of recent lawsuit and arbitration conditions occurred	<u>3</u> years
3.6	An alternative bidding scheme allowed to be submitted or not	Allowed
3.7.3	Signature or seal requirements	The bidding documents shall be signed by the bidder's legal representative or entrusted agent on the stamp, submitted in closed envelope and affixed with the official seal of bidder's company.
3.7.4	Quantity of bidding documents	Original: <u>1</u> copy, duplicate: <u>2</u> copies; electronic document 1 copy (USB flash disk, PDF and word versions);
3.7.5	Binding requirements	Bound in a volume
4.1.2	Marking on the envelope	Employer name: PT Dairi Prima Mineral Bidding documents for Dairi lead-zinc mine construction project explosive materials supply Not opened until 14:00 on August 9th , 2019
4.2.2	Place of submitting the bidding documents	Sidikalang Office: Jl. Runding No. 1 A, Gerbang III-Sidiangkat, Sidikalang 22216, Dairi Regency , North Sumatra.
4.2.3	Bidding documents to be returned or not	Not
5.1	Time and place of bid opening	Time of bid opening: Same as the deadline of bidding. Place of bid opening:

		Jl. Runding No. 1 A, Gerbang III-Sidiangkat, Sidikalang 22216, Dairi Regency , North Sumatra.
6.1.1	Establishment of Bid Evaluation Committee	Composition of Bid Evaluation Committee: 7 persons:
7.1	Whether Bid Evaluation Committee is authorized to determine the bid winner	The Bid Evaluation Committee will not determine the bid winner, only recommended and provided the name list of candidates and not limit the candidate numbers

1. General

1.1 Project overview

1.1.1 Project Location

Dairi lead-zinc deposit is located at the northwest of Sumatra, Indonesia, about 120km away from the Medan (third-largest city in Indonesia). The mine area is accessible from Medan by Bitumen express way to Sidikalang, and to Sopokomil by low grade provincial standard road; Due to large traffic flow, it will take about five hours for driving.

1.1.2 Site Conditions

Mine area is located in forest covered area, trapezoid canyon is dominated in the northwest, and elevation is about 300-500m, southwest direction is mainly hillside, elevation of mountain peak is about 1300m.

Sopokomil area belongs to tropical humid climate, with no obvious season change affected by northeast monsoon and southwest monsoon, the average daily temperature 20~30°C, the average annual temperature 24~28°C, it rains a lot in most months, primary rainy season is occurred in September-December, secondary rainy season is occurred in April-May, annual rainfall is 3500-4000mm.

Sumatra, being part of the island arc system, is subject to highly seismic activity, it passes through Indian Ocean plate subduction Eurasian plate boundary outboard and extension section of Sumatra fault at the same time. Dairi lead and zinc mine belongs to seismic activity zone, and the earthquake acceleration is 0.29~0.37g.

1.1.1 In accordance with the relevant laws, regulations and rules of the Republic of Indonesia, this project has possessed the tendering conditions, and now the construction of this bid section is

invited for bids.

1.1.2 Employer of this project: Please refer to Pre-attached Table of Instructions to Bidders.

1.1.3 Tendering agency: Please refer to Pre-attached Table of Instructions to Bidders.

1.1.4 Project name: Please refer to Pre-attached Table of Instructions to Bidders.

1.1.5 Construction site: Please refer to Pre-attached Table of Instructions to Bidders.

1.2 Source and implementation of project funds.

1.2.1 Source of project funds: Please refer to Pre-attached Table of Instructions to Bidders.

1.2.2 Ratio of contributions: Please refer to Pre-attached Table of Instructions to Bidders.

1.2.3 Implementation of project funds: Please refer to Pre-attached Table of Instructions to Bidders.

1.3 Scope of tendering, explosive materials supply duration, and quality requirements

1.3.1 Scope of tendering: Please refer to Pre-attached Table of Instructions to Bidders.

1.3.2 Explosive materials supply duration: Please refer to Pre-attached Table of Instructions to Bidders.

1.3.3 Quality requirements of bid section involved: Please refer to Pre-attached Table of Instructions to Bidders.

1.4 Bidder's qualification requirements

1.4.1 The bidder shall possess the qualification, certificates, license, capability and reputation for undertaking of explosive materials supply to a mining company in indonesia.

(1) Qualifications: Please refer to Pre-attached Table of Instructions to Bidders.

(2) Financial requirements: Please refer to Pre-attached Table of Instructions to Bidders.

(3) Performance requirements: Please refer to Pre-attached Table of Instructions to Bidders.

(4) HSE requirements: Please refer to Pre-attached Table of Instructions to Bidders.

(5) Other requirements: Please refer to Pre-attached Table of Instructions to Bidders.

1.4.2 The bidder shall not have one of following circumstances:

(1) It is a subsidiary body (unit) of EMPLOYER, without legal personality;

(2) It provides the Tendering Agency service for this bid section;

(3) It has the same legal representative as the Engineering, Construction Agent or Tendering Agency of this bid section;

(4) It conducts mutual proprietary activity and share-holding activity with the Engineer, Construction Agent or Tendering Agency of this bid section;

(5) It conducts mutual post-holding and duty-fulfilling activity with the Engineer, Construction Agent or Tendering Agency of this bid section;

(6) It is ordered to close;

(7) Its qualification for bidding is suspended or cancelled;

(8) Its property is taken over or frozen;

1.5 Undertaking of expenses

The expenses incurred from preparation for and participation in bidding activity shall be borne by the bidder.

1.6 Confidentiality

Each party taking part in the tendering and bidding activities shall keep confidential the business and technology secrets in the tendering documents and bidding documents, and any violator shall take the legal liability for the caused consequences.

1.7 Language

The language related to tendering and bidding shall be **in English and Bahasa or English.**

1.8 Unit of measurement

International unit of measurement, POMS (Principle of Measurement International) shall be adopted.

1.9 Site survey

1.9.1 The Employer may organize the project site survey as required by the bidder.

1.9.2 The expenses of site survey shall be undertaken by the bidder.

1.9.3 The bidder shall be responsible for the personal casualties and property losses on the site survey.

1.9.4 The introduction on project site and related surrounding environment conditions given by the Employer in the site survey is for reference by the bidder in the compilation of bidding documents, and the Employer will be not responsible for the judgment and decision made by the bidder based on the introduction above.

1.10 Preparatory meeting for bidding: Not held.

1.11 Subcontracting: Please refer to Pre-attached Table of Instructions to Bidders.(Not Applicable)

1.12 Deviation: Please refer to Pre-attached Table of Instructions to Bidders.

2. Tendering documents

2.1 Composition of tendering documents

The tendering documents are composed of:

- (1) Instructions to Bidders;
- (2) Technical standards and requirements;
- (3) Format of bidding documents;
- (4) Other materials stipulated in the Pre-attached Table of Instructions to Bidders.

The clarifications and modifications to the tendering documents made according to Clause 1.12, Clause 2.2 and Clause 2.3 of this chapter are an integral part of tendering documents.

2.2 Clarifications to tendering documents

2.2.1 The bidder shall read carefully and check all the contents of tendering documents. In case of missing page or incomplete attachment discovered, it shall timely inform the Employer of this for supplementation and completion. If the bidder has any questions, it shall, before the time stipulated in the Pre-attached Table of Instructions to Bidders, notify the Employer in writing (including letter, email, fax, and other forms able to present the contents carried tangibly, the same below), requiring the Employer to make clarifications to tendering documents.

2.2.2 The clarifications to tendering documents will be given to all bidders in written form 3 days before the deadline of bidding stipulated in the Pre-attached Table of Instructions to Bidders, but the sources of questions clarified will be not specified. When the clarification giving time is less than 3 days to deadline of bidding, the deadline of bidding shall be extended correspondingly.

2.2.3 After receiving the clarifications, the bidder shall, within the time stipulated in the Pre-attached Table of Instructions to Bidders, notify the Employer in writing, to confirm the receiving of clarifications.

2.3 Modifications to tendering documents

2.3.1 The Employer may, 5 days before the deadline of bidding, modify the tendering documents

in written form, and notify all the bidders of modifications. If the modification time is less than 5 days to the deadline of bidding, the deadline of bidding shall be extended correspondingly.

2.3.2 After receiving the modifications, the bidder shall, within the time stipulated in the Pre-attached Table of Instructions to Bidders, notify the Employer in writing, to confirm the receiving of modifications.

3. Bidding documents

3.1 Composition of bidding documents

3.1.1 Bidding documents shall be composed of following contents:

(1) Letter of Bidding and Appendix to Letter of Bidding;

(2) Identity certificate of legal representative or letter of authorization attached with the identity certificate of legal representative;

(3) Qualification, quotation, certificates data;

(4) Other materials stipulated in the Pre-attached Table of Instructions to Bidders.

3.2 Bidding quotation

3.2.1 The bidder shall fill the corresponding form according to the requirements given in Chapter 3 “Quotation Form”.

3.2.2 While modifying the total bid price in the Letter of Bidding before the deadline of bidding, the bidder shall also modify the corresponding quotation in Chapter 3 “Quotation Form”. Such modification shall meet the related requirements given in Clause 4.3 of this chapter.

3.3 Validity period of bidding

3.3.1 Within the period of validity stipulated in the Pre-attached Table of Instructions to Bidders, the bidder shall not require for revoking or modifying its bidding documents.

3.3.2 When validity of bidding needs to be extended in special circumstances, the Employer shall notify, in writing, all bidders of extension of validity of bidding. When the bidder agrees with the extension, the validity period of its bid security also shall be extended correspondingly, however, this bidder shall not require for or be allowed to modification or revocation of its bidding documents; when the bidder refuses the extension, its bidding will become invalid.

3.4 Qualification audit data

3.4.1 “Bidder’s basic information table” shall be attached by the photocopies of its Business License (duplicate), annual inspection certificate, qualification certificate (duplicate), work safety license, and other materials.

3.4.2 “Statement of financial situation in recent years” shall be attached by the photocopies of financial statements audited by accounting firm or audit institution, including balance sheet, cash flow statement, income statement, and financial situation statement; please refer to the Pre-attached Table of Instructions to Bidders for specific requirements for years.

3.4.3 As for the “lawsuits and arbitrations in recent years”, it is required to specify the related conditions, and attach the photocopies of the judgment, verdict, and other related legal instruments given by court or arbitration institutions; please refer to the Pre-attached Table of Instructions to Bidders for specific requirements for years.

3.5 Alternative bidding scheme

Unless otherwise stipulated in the Pre-attached Table of Instructions to Bidders, no bidder is allowed to submit an alternative bidding scheme. When the bidder is allowed to submit an alternative bidding scheme, only the alternative bidding scheme submitted by the bid winner can be taken into consideration. When the Bid Evaluation Committee thinks that the alternative bidding scheme is superior to the bidding scheme compiled by the bid winner according to the requirements given in the tendering documents, the Employer may accept this alternative bidding scheme.

3.6 Compilation of bidding documents

3.6.1 The bidding documents shall be compiled according to “Format of bidding documents”. When necessary, an attached sheet may be added, to serve as an integral part of bidding documents. A commitment more favorable to the Employer may be given in the Appendix to Letter of Bidding on the basis of satisfaction of substantive requirements of tendering documents.

3.6.2 Bidding documents shall respond to the substantive contents like delivery cycle, validity of bidding, quality requirements, technical standards and requirements, and scope of tendering in the tendering documents.

3.7 Compilation of bidding documents

3.7.1 The bidding documents shall be compiled according to Chapter 3 ‘Format of bidding

documents'. When necessary, an attached sheet may be added, to serve as an integral part of bidding documents. A commitment more favorable to the Employer may be given in the Appendix to Letter of Bidding on the basis of satisfaction of substantive requirements of tendering documents.

3.7.2 Bidding documents shall respond to the substantive contents like quotation, delivery frequency, validity of bidding, quality requirements, technical standards and requirements, and scope of tendering in the tendering documents.

3.7.3 The bidding documents shall be written or printed with fadeless material, and also signed by the bidder's legal representative or entrusted agent or affixed with the bidder's official seal. When the bidding documents are signed by the entrusted agent, the Letter of Authorization from Legal Representative shall be attached to the bidding documents. The bidding documents shall be avoided from alteration, word insertion or deletion between lines. When abovementioned circumstances occur, the alteration place shall be affixed with the bidder's official seal or signed by the bidder's legal representative or authorized agent for confirmation. Please refer to Pre-attached Table of Instructions to Bidders for specific requirements for signature or sealing.

3.7.4 The bidding documents shall have one original, and the number of duplicate copies is as shown in the Pre-attached Table of Instructions to Bidders. The covers of original and duplicate shall be clearly marked with "Original" or "Duplicate". In case of inconformity between duplicate and original, the original shall prevail.

3.7.5 One original, two duplicates, one package; three copies in total, as well as one electronic edition (Word or Excel) (with USB disk as a carrier, PDF and Word versions), one package; and the page crossing place shall be affixed with the bidder's official seal, the bidding documents will be filed by the Employer, and shall not be returned to the bidder.

4. Bidding

4.1 Submittal of bidding documents

4.1.1 The bidder shall submit the bidding documents before the deadline of bidding stipulated in Clause 2.2.2 of this chapter.

4.1.2 Place to submit the bidding documents: Please refer to Pre-attached Table of Instructions to Bidders.

4.1.3 Unless otherwise stipulated in the Pre-attached Table of Instructions to Bidders, the bidding documents submitted by the bidder shall not be returned.

4.1.4 The bidding documents delivered lately or not delivered to the appointed place shall not be accepted by the Employer.

4.3 Modification and revocation of bidding documents

4.3.1 Before the deadline of bidding stipulated in Clause 2.2.2 of this chapter, the bidder may modify or revoke the submitted bidding documents, but it shall notify the Employer of this in written form.

4.3.2 The written notice on the modification or revocation of submitted bidding documents shall be signed or stamped according to the requirements given in Clause 3.7.3 of this chapter. After receiving the written notice, the Employer shall issue a receipt voucher to the bidder.

4.3.3 The modified contents shall be taken as an integral part of bidding documents. The modified bidding documents shall be compiled, marked and submitted according to Articles 3 and 4 of this chapter, and also marked with “Modified”.

4.4 Sealing and marking of bidding documents

4.4.1 The original and duplicate of bidding documents shall be packaged together and sealed, and also the seal of envelope shall be affixed with the bidder’ s official seal.

4.4.2 The cover of bidding documents shall be clearly marked with “Original” or “Duplicate”, and other contents that should be specified on the envelope are as shown in the Pre-attached Table of Instructions to Bidders.

4.4.3 The bidding documents not sealed and marked as required in Clause 4.1.1 or Clause 4.1.2 of this chapter will be not accepted by the Employer.

5. Bid opening

5.1 Time and place of bid opening

The Employer will conduct public bid opening on the deadline of bidding (bid opening time) stipulated in the pre-attached table and at the place stipulated in the Pre-attached Table of Instructions to Bidders, and the legal representatives or entrusted agents of all bidders will be invited to attend the bid opening on time. Each bidder can voluntarily appoint a representative to

attend. The bidder's representative attending the public bid opening shall show the Letter of Authorization by bidder's legal representative and his/her identity card, and sign in, to prove his/her attendance. As for the bidders failing to appoint representatives to attend the bid opening meeting or whose authorized representatives fail to sign on the bid opening record form for confirmation, it will be regarded as that they have accepted the bid opening results tacitly.

6. Bid evaluation

6.1 Bid Evaluation Committee

6.1.1 Bid evaluation is undertaken by the Bid Evaluation Committee established by the Employer. The Bid Evaluation Committee is composed of the representative of the Employer or its entrusted tendering agency, who is familiar with the related business, as well as the related experts in technology and economy. The number of committee members are shown in the Pre-attached Table of Instructions to Bidders.

6.1.2 A member of Bid Evaluation Committee with one of following circumstance shall be avoided:

- (1) The member is an immediate relative of the main principal of the Employer or bidder;
- (2) The member is from administrative supervision department;
- (3) The member has economic interest relationship with the bidder, likely to influence his/his impartial bid review;
- (4) The member has received administrative penalty or criminal punishment for violations in tendering, bid evaluation, and other bid-related activities.

6.2 Principles of bid evaluation

The principles of "justice, fairness, scientificity, and priority" shall be followed in the bid evaluation activities.

7. Contract awarding

7.1 Way of bid awarding

The Employer will determine the bid winner according to the winning candidates recommended by the Bid Evaluation Committee, and the number of recommended winning candidates is as shown in the Pre-attached Table of Instructions to Bidders.

7.2 Notice of award

Within the validity period of bidding stipulated in Clause 3.3 of this chapter, the Employer will give the notice of award to the bid winner in writing, and also notify the result of bidding winning to other bidders not winning the bid.

7.3 Contract signing

The Employer and the bid winner shall, within 15 days after the notice of award is given, establish a written contract according to the tendering documents and the bid winner's bidding documents. When the bid winner refuses to sign the contract without any reasonable and acceptable reason, the Employer will cancel its qualification for bid winning; when the losses caused to the Employer exceed the amount of bid security, the bid winner also shall compensate for the part beyond the bid security.

8. Re-tendering and no tendering

8.1 In one of following circumstances, the Employer is entitled to determine re-tendering or no tendering.

- (1) The number of bidders as of the deadline of bidding is less than 3;
- (2) All the bidding documents are rejected after review by Bid Evaluation Committee.

9. Discipline and supervision

9.1 Employer's discipline requirements

The Employer shall not disclose the conditions and data that should be kept confidential in the tendering and bidding activities, and not collaborate with any bidder to harm the national interests, social public interests or legitimate rights and interests of others.

9.2 Bidder's discipline requirements

All the bidders shall not collaborate with each other in bidding or collaborate with the Employer in bidding, not offer bribes to the Employer or member of Bid Evaluation Committee for seeking for bid winning, not conduct bidding in the name of others or practice fraud to win the bid in other ways; and not disturb and affect the bid evaluation work in any way.

9.3 Discipline requirements for members of Bid Evaluation Committee

The members of Bid Evaluation Committee shall not accept the property or other benefits of others, and not reveal the review and comparison of bidding documents, recommendation situation

of winning candidates as well as other conditions related to bid evaluation to others. In the bid evaluation activity, the members of Bid Evaluation Committee shall not be absent without permission, to avoiding affecting the normal development of bid evaluation procedures.

9.4 Discipline requirements for the working personnel related to bid evaluation activity

The working personnel related to bid evaluation activity shall not accept the property or other benefits of others, and not reveal the review and comparison of bidding documents, recommendation situation of winning candidates as well as other conditions related to bid evaluation to others. In the bid evaluation activity, the working personnel related to bid evaluation activity shall not be absent without permission, to avoid affecting the normal development of bid evaluation procedures.

9.5 Complaint

The bidders and other interested parties are entitled to complain to the related administrative supervision department when they hold that the tendering activity violates laws, regulations, and rules.

10. Other contents needing supplementation

Other contents needing supplementation: Please refer to Pre-attached Table of Instructions to Bidders.

Chapter II Technical requirements for Dairi lead-zinc mine explosive materials supply

Product Name: Industrial Explosive Materials;

Purchase quantity: The explosive consumption of underground work is expected to be 45t/month, and the detonator consumption of underground work is expected to be 8000 each/month.

The explosive materials consumption in early stage is relatively less and will increase month by month as the number of working faces increases. The bidder supplies the explosive materials according to the order actually provided by the tenderee;

Quotation: The bidder's quotation shall be the comprehensive unit price including all taxes, transportation costs, insurance premiums, explosive depot management fees and all other miscellaneous expenses;

Place of delivery: Designated explosive depot at the Dairi Lead-Zinc Mine Project site near Parongil Town;

Explosive materials specification: The bidder shall provide the specifications, test report and quality certificate of the supplied explosive materials regularly;

Scope of work:

- 1) According to the order of the tenderee, the bidder will supply the explosive materials to the designated place within 6 days after receiving the order;
- 2) The bidder is responsible for the transportation of explosive materials and handling the relevant certificates ;
- 3) The bidder shall dispatch employees to manage the explosive depot and ensure the normal and orderly operation of the explosive depot;
- 4) The bidder shall submit the explosive depot safety management document to the tenderee;

Chapter III Format of Bidding Documents

Dairi Lead and Zinc Mine Project
Construction Explosive materials Supply

V. Qualification Audit Data

Part I Bidding Quotation and Qualification Documents

I. Letter of Bidding and Appendix to Letter of Bidding

(I) Letter of Bidding

_____ (bidder name):

1. We have carefully studied all the contents of tendering documents for construction of Explosive Materials Supply bid section of Dairi Lead and Zinc Mine Project Construction, and we are voluntary to carry out and complete the contracting works as agreed in the contract, with the total bidding quotation IDR _____, and delivery frequency ____ days, to achieve to supply the explosive materials requested by employer.

2. We promise not to modify and revoke our bidding documents within the validity period of bidding.

3. If we win the bid:

(1) We promise that, after receiving the notice of award, we will sign the contract with you within the period stipulated in the notice of award.

(2) The Appendix to Letter of Bidding submitted together with this Letter of Bidding is an integral part of contract documents.

(4) We promise to supply the contract subject in full within the agreed time limit.

4. We hereby state that, the submitted bidding documents and related data are complete, true and accurate in content, and have no circumstances stipulated in 1.4.2 in Chapter I “Instructions to Bidders”.

5. _____ (Other supplementary notes).

Bidder: _____ (official seal)

Legal representative or entrusted agent: _____ (signature)

Add.: _____

Website: _____

Tel.: _____

Date: _____

II. Legal Representative's Identity Certificate

Bidder name: _____

Nature of company: _____

Add.: _____

Time of establishment: _____

Name: _____ Gender: _____ Age: _____ Position: _____

is the legal representative of _____ (bidder name).

It is hereby certified!

Bidder: _____ (official seal)

Date: _____

III. Letter of Authorization

I, _____(name), as the legal representative of____(bidder name), hereby entrust ____ (name) to serve as our agent, to sign, clarify, explain, supplement and correct, submit, revoke, and modify the bidding documents of Dairi lead-zinc mine construction project explosive materials supply (project name), sign the contract, and handle the related matters according to our authorization, and I will be responsible for the legal consequences.

Term of procuration: _____calendar days.

The agent has no right to transfer the power of attorney.

Attached: Legal representative's identify certificate

Bidder: _____(official seal)

Legal representative: _____ (signature)

ID card No.: _____

Entrusted agent/person: _____(signature)

ID card No.: _____
